DUET SUPPORT GROUPS:
GRANDPARENTS RAISING GRANDCHILDREN

Phoenix, AZ - Are you a grandparent raising a grandchild? **Duet** is here to help. We provide support groups to grandparents whose primary responsibility is raising their grandchildren. We partner with grandparents to provide them with legal guidance, educational workshops, information and referral, as well as recreational opportunities.

Often grandparents have to deal with schools systems, health coverage, legal issues and complex family situations, which can leave them feeling overwhelmed. Our support groups give those families a place to share experiences, network with others, and find workable solutions to the challenges ahead.

Founded in 1981, Duet is a non-profit interfaith organization that promotes health and well-being through a broad range of services to homebound adults, caregivers, faith communities and grandparents raising grandchildren.

For more information call Duet, or visit www.duetaz.org.
