Facing Challenges Together

BY **ELIZABETH BANTA, MC**
EXECUTIVE DIRECTOR

Sometimes bad news mobilizes tremendous goodwill. Recent budget cuts to dial-a-ride and reserve-a-ride programs have left many seniors with no way to get to and from doctor appointments and grocery stores. These trips are more than errands – they help elderly “neighbors” remain living in their own homes.

This summer Duet issued a community call to action through faith communities and local media, urging people to volunteer. The response has been tremendous! Over 150 caring people responded in July and August by attending our volunteer orientations — a two month record. In addition, many existing Duet volunteers are volunteering extra time so that more homebound adults receive the help they need. Neighbors like Betty, pictured below, are most grateful. And, about \$10,000 was given this summer in response to our founder’s fund appeal.

We thank all who have responded! Yet, even more volunteers and financial gifts are needed so that Duet can pair every caller with a caring volunteer. Prior to making

those magical matches, Duet first recruits, trains, fingerprints, and insures volunteers. We answer phone calls and conduct home visit assessments for people requesting help. That high quality coordination requires staff time and money.

The theme for this issue of Duet News is Facing Challenges Together. Indeed, with your involvement we can meet major community challenges! Please support Duet as generously as you can. Let others know about our volunteer opportunities. And, tell homebound adults, faith communities, caregivers, and grandparents raising grandchildren about our free-of-charge services. Thank you. ✨

Not Alone With Duet

BY **SUE RECKINGER, CVA**
DIRECTOR OF VOLUNTEER SERVICES

“You have wonderful people that Ricardo gets to help me!” This is a direct quote from Duet “neighbor” Betty Gollin, praising Duet’s caring volunteers who Ricardo Samano, our Transportation Coordinator, matches with Betty.

Betty is 88 years old and hasn’t driven for 8 years. With Phoenix Dial-a-Ride and Reserve-a-Ride reductions, getting to and from her medical appointments and the grocery store would be almost impossible without Duet. Betty’s daughter, who is a

nurse, heard about Duet from a doctor friend who works at Mayo Clinic.

Betty became a Duet neighbor in June of 2009. She has benefited from over 30 rides to medical appointments. In addition, Duet volunteers Mary Sue and Larry Langford take her grocery shopping every other week.

“I tell everyone about Duet and the services you provide to people who are homebound. I gave three brochures to my friends who wanted to know more about all of your services. Unlike Dial-a-Ride, your volunteers cross boundaries between cities. All of your volunteers are so friendly and delightful. I am very grateful for the services that I have received!” ✨

Volunteer David Haskins helps Betty Gollin stay healthy by taking her to doctor appointments.

Computer Grant Connects Isolated Elders

Imagine being isolated at home with no easy way to reach the outside world. Thanks to a generous grant from The Nina Mason Pulliam Charitable Trust, Duet is pairing more homebound "neighbors"

with volunteers who teach them how to use a computer. This third year of funding supports our innovative computer assistance and also provides computers, internet access, and technical support. We are excited to further expand our services with their support. To volunteer or request computer assistance, simply call Duet - your partner in service. ✨

Helping Grand-families During Challenging Times

BY CLARE GOLDSBERRY, VOLUNTEER

Marsha and Brian Sherman are raising their six-year-old grandson, whom they adopted two years ago. Marsha is grateful for Duet's services for grandparents raising grandchildren. They learned about Duet after seeing an article in a newsletter.

"We were to the point where the parents' rights were going to be severed at the next hearing," says Marsha. "We wished we'd found out about Duet sooner because it would have been very helpful to us in this process."

Having patience for a six-year-old is the greatest challenge for Marsha. "He has a whole different set of needs and is being tested for ADHD. We're just trying

The Sherman's participate in Duet's family activities for grandparents and children, such as this lakeside excursion.

to understand how this affects him. We've had him most of his life but trying to cope with his needs, such as his anger issues, is difficult. These are things that other children don't experience."

At first, Marsha and Brian didn't know anyone else raising their

grandchildren. "We thought we were one of few, but through Duet we found out we are one of many. Knowing we're not alone helps, and it helps our grandson to know that he's not alone with this situation either. He meets other kids in this situation too." ✨

Caring for the Caregiver

BY DONNA HEPPERMAN, MSW
DIRECTOR OF CAREGIVER SERVICES

A caregiver's journey may have many challenges. One of the most difficult is "caring for the caregiver." A loved one's needs usually come first. It's important to reach out for help. But how do you do it? Where do you go? Who do you talk to? The challenge can be even greater with language and cultural barriers. This is where Duet's caregiver services can help.

Since 1992 Duet has presented caregiver workshops in Spanish. This past year, we held two in Mesa and one in Guadalupe. "Un Descansito" (a little rest) is funded in partnership with the Area Agency on Aging, Region One. Participants learn about coping skills, Alzheimer's disease, arthritis, nutrition, and community resources.

Caregivers share ideas and gain support at "Un Descansito"

But all is not serious! We also exercise, play games, have lunch, and sing and dance to mariachis. It's a wonderful way for caregivers and others to receive information and support. Our next "Un Descansito" is Wednesday, October 28, from 8:30 a.m. to 1:30 p.m. at the Mesa Active Adult Center. Come join us! ✨

Welcome New Partner Congregations

In our last Duet News, we shared the exciting news that Dove of the Desert United Methodist Church has joined forces with Duet. Now, we are honored to announce a new partnership with three more faith communities who have joined our cause: St. Patrick Catholic Community; The Episcopal Church of St. John the Baptist; and Westminster Presbyterian Church.

With their involvement, Duet will provide more health and aging services to their members and the wider community. Call Nancy Grossman at (602) 274-5022 to explore ways we can work in tandem with your own faith community. ✨

Finding Resources to Face Health Challenges

BY DENISE VIKER, RN, BSN, DIRECTOR OF CONGREGATIONAL HEALTH SERVICES

Imagine having a child or grandchild who needs hospital care. When a child is ill, the whole family is affected. Parents want to be with their child, yet demands of everyday life don't go away. Grandparents are frequently asked to help out. If family members are involved in a faith community, they may be able to receive support from a faith community nurse.

Because faith community nurses link people with resources, it's critical they are familiar with available options. Duet teaches faith community nurses about community resources during monthly support and sharing groups.

Nurses tour the performing arts area at Cardon Children's Medical Center.

One support group recently toured Cardon Children's Medical Center in Mesa. The group learned about the facility's services, from state-of-the-art medical care to conveniences such as family washers and dryers for cleaning

precious "blankies." We all enjoyed the opportunity to familiarize ourselves with the center and its resources. The nurses said they felt better equipped to support families who receive care there. 🦋

Thank You to Our Caring Volunteers

Duet sincerely thanks the following 1,047 caring volunteers who gave their time and expertise from July 2009 to the present. Through their efforts, thousands of people received caring support through some of the most difficult times of their lives. Duet would not exist without their service. From helping homebound "neighbors" with services like grocery shopping or rides to medical appointment; to serving on our board of directors or a committee; providing office support; serving as a faith community nurse; creating successful fundraisers; or another form of service – they are our heroes.

Note: Please call Ruth at (602) 274-5022 if we overlooked you. We'll publish the names of any volunteers we missed in our next issue. Thank you!

Waiting For You

Requests for Duet's volunteer services have nearly doubled since city dial-a-ride and reserve-a-ride services have been reduced. Can you help? More volunteers are needed to assist elders and adults with disabilities who no longer can drive. Assisting even once per month would make a huge difference. In addition to rides to doctors and grocery stores, volunteers are needed for visits, computer training, home repairs, respite, friendly phone

calls, and paperwork assistance.

To find out who needs you, see our real-time "map" showing people on our wait list at www.duetaz.org.

Each icon represents a real person who needs help. Over 315 "neighbors" have been matched using the map since we launched it two years ago. If you're already volunteering, consider adding a monthly transportation service to your schedule. Or, to become a volunteer, attend one of the orientations listed on page 8. Thank you! 🦋

Thank You AZ Diamondbacks!

It came as a simple phone call. "Would you like tickets? The Arizona Diamondbacks appreciates Duet's work in our community. We'd like to thank your volunteers and give a treat to grandparents and the children they are raising." The answer: "Yes!" Indeed, 925 Duet partners enjoyed a great night at the ballpark on August 21. Thank you, AZ Diamondbacks, for your generous gift! ✨

The AZ Diamondbacks brought big smiles to Duet supporters of all ages!

Free Guardianship Clinic

Raising grandchildren? Do you need legal guardianship? If so, come to a **free** Duet Guardianship Clinic. You will need formal custody to obtain health care benefits or to enroll the child in school. A volunteer attorney will guide you through the guardianship petition. Clinics are held the third Friday of each month (except Dec.) at 555 W. Glendale Ave., Phx., 85021. RSVP at (602)274-5022 or Dominguez@duetaz.org. ✨

Designate United Way and Workplace Gifts to Duet

Through United Way's "write in" process, you may designate gifts directly to Duet. Simply write in Duet: Partners In Health & Aging, along with our United Way ID number (#0001). The State Employees Charitable Campaign, Combined Federal Campaign, MC Combined Charitable Campaign, Central AZ Project, and Honeywell also allow employees to direct charitable gifts to Duet. Let our cause be your choice! ✨

Annual Report

Learn how your service and support created life-changing results for people in need. To receive a copy of Duet's 2009 Annual Report, call us at (602) 274-5022. Or, read it at www.duetaz.org by clicking on the **News** tab of our home page. We are grateful to The Emerald Foundation for paying for the report's design and printing. ✨

Wishes Do Come True

Many of us spend our lives working so hard that we rarely stop to consider what will happen to the assets we spent a lifetime accumulating. When you create a will, you may determine what will happen to your assets after your passing. An effective bequest can let you plan for your family's future while remembering organizations such as Duet that are close to your heart.

Duet's free guide, "Make Your Final Wishes Come True," highlights a family dedicated to one another and to our organization. Duet Legacy Circle member Dorothea Clarke, seated, is alongside her daughter-in-law Judy, granddaughter Julie, and two great-grandchildren. To learn more about how you can remember the people and organizations such as Duet that are close to you, call Eva Scholfield, Director of Development at (602)274-5022 for a copy of the guide. ✨

The Area Agency on Aging, Region One, has been awarded a grant to place four part-time Americorps members with Duet. Positions are available for "can-do" people age 55 years or older. Make a difference by providing outreach to faith communities, assisting with volunteer orientations, and/or coordinating volunteer services for homebound adults. Benefits include a \$5,900 living allowance and a \$2,675 education award (transferable to your child, grandchild or foster child). Positions with other non-profits are also available.
