Introducing: Duet

BY ELIZABETH BANTA, MC,
EXECUTIVE DIRECTOR

IT IS MY HONOR TO ANNOUNCE THAT Beatitudes Center DOAR has changed its name and tagline to: **Duet: Partners In Health & Aging.**

We also have created a new logo and website (www.duetaz.org). To further simplify communications, the name Duet will be used in place of our program names: VICaP, Project GrandCare, Generations, and Nurse & Health Ministries Network.

Even though our name has changed, we are the same non-profit, interfaith organization that provides compassionate help to people in need throughout our community.

Why change our name? The process began with a grant awarded by The Emerald Foundation two years ago. The Emerald Foundation is a private foundation created by the bequest of Frances McClelland, an inspiring person and steadfast Beatitudes Center DOAR supporter.

The grant's goal was and is to serve more people through improved communications and enhanced community awareness.

Last summer, we conducted a survey and were grateful that over 800 people responded. The survey reflected widespread confusion regarding our

organizational and program names. One concern was that most survey respondents did not know we are an interfaith organization, partnered with many congregations of diverse faith backgrounds. In addition, research showed that we needed a name that could be more easily understood and remembered. OVO, an Arizona-based branding firm, provided naming options, positioning and a new visual identity.

as well as our staff for their support. I also thank Sandy Leander, Communications Director, for shepherding our organization through this entire process.

Now — I turn to you — the people we serve, our volunteers, donors, colleagues, and partnering faith communities. With your continued support, especially during these challenging economic times, Duet will help thousands of people this year and many more in the years to come. ✕

“Congratulations to the board members and staff involved in this carefully developed name-change process. It is a creative name for the same vital interfaith ministry. I am enthusiastically behind Duet — never alone.”

— The Rev. Dr. Dosia Carlson, Founding Executive Director

After additional research and careful deliberation, our Board of Directors approved *Duet: Partners In Health & Aging*. Duet builds upon the vital role partnerships with individuals, businesses, and faith communities play in our mission. In addition, our services are based on one person helping another person... beautiful 'duets' that improve the quality of life for older adults throughout our Valley.

I thank The Emerald Foundation for completely funding this process through a five-year grant, from staffing and research, to printing and advertising. I applaud our Board of Directors for making this forward-thinking, insightful decision,

Duet Creates Lucky Pairs

BY **SUE RECKINGER, CVA,**
DIRECTOR OF VOLUNTEER SERVICES

Two days before Christmas in 2006, Duet neighbor Bea Borgen was leaving a shopping center in her new car. In an instant, her life changed. She was hit by someone driving a stolen car who fled the scene of the accident. Bea's car was totaled and she was trapped by a seat belt that would not release.

Luckily for Bea, an off-duty paramedic came to her aid. Due to the accident, Bea suffered a severe injury to her foot, as well as fractured ribs and a broken arm.

While in physical therapy, Bea was given the name of an organization that could help her remain in her own home. That organization was Duet.

One day while reading a local magazine, Linda Vejnaska saw an article about Duet and how the organization is always looking for new volunteers to help the homebound disabled and elderly. Always there for her own family, Linda liked the idea of helping someone else remain independent.

Luckily for them both, Linda and Bea were paired through Duet for shopping and friendly visiting services.

Bea is grateful for the assistance from her friend and volunteer, Linda. Linda says that Bea has the sweetest heart and truly enjoys the little things in life. She loves Bea's attitude and sense of humor and says, "She has lots of spunk."

Linda says that spending time with Bea allows her to put her own life in perspective and highlights what is really important.

Bea (left) with Linda, her volunteer shopper

Both ladies say they have developed a wonderful bond and they look forward to Thursday evenings when they meet for visiting and shopping.

Luckily for those seeking assistance, Duet has great volunteers like Linda who selflessly give of their time to help people like Bea and countless others. ✨

A Passion for Faith Community Nursing

BY **BARBARA SAGE, RN, MS,** DIRECTOR
OF CONGREGATIONAL HEALTH SERVICES

Amanda Morris and Don Morton both share a passion for parish nursing. You will notice that their faces appear in our new brochure. Amanda, RN, BSN, has been the Parish Nurse at University Presbyterian Church (UPC) in Tempe since 2005. Don is a long-time member of UPC. He is a big supporter of the parish nurse ministry. Don's wife Alice was a pediatric RN and had a strong passion for nursing. Her passion is what started the *Parish Nurse ministry* at the church. Alice would be very happy today to see her dream flourish.

Don Morton & Amanda Morris at University Presbyterian Church

UPC believes that having a parish nurse on staff is a vital component to fulfilling their mission. Amanda, the youngest parish nurse in Duet's network of faith community nurse programs, is very strong in her faith and enjoys her career in nursing (also on staff at Banner Desert Medical Center). When she found out about UPC's job opening, she knew that this would be a great place to blend her faith and profession and serve people in body, mind, and spirit. Amanda has been doing great things at the church for four years now. She is responsible for all health and

wellness related activities. She contacts, either by sending a card, calling, or visiting, all members of the congregation who are ill or preparing for surgery, expecting a baby, experiencing hardships, or in need of referrals, companionship, or advocacy. Amanda teaches many classes and has dedicated a full day for office hours at the church.

Duet is here to serve faith community nurses, like Amanda, through support and education. We also help faith communities start health and wellness programs that benefit everyone in the community. Call our office or visit www.duetaz.org to learn how we can help you. ✨

Amedisys Donates Furniture to Duet

When Amedisys recently moved offices, they offered their furniture to Duet. We gratefully accepted their gifts of desks, file cabinets, and chairs. Come visit to see their donations at work! ✨

Cemetery Worker Connects Family to Duet

BY PATRICIA DOMINGUEZ, MSW,
DIRECTOR OF KINSHIP CARE SERVICES

Meet Beatrice Gutierrez. At age 74, she became guardian of her grandsons Matthew, 16 and Gabriel, 8, after their mother died in 2006. Beatrice was referred to Duet by one of the cemetery employees where her daughter was buried.

From that first call, Beatrice found a compassionate partner and the guidance she needed in navigating health care, educational, and legal systems. Our support services helped her obtain legal custody of her grandchildren (documentation preparation).

Beatrice with her grandsons Matthew and Gabriel

Both Beatrice and the boys enjoy participating in Duet's activities for participating families, such as picnics and our annual holiday party. Duet's monthly social therapeutic groups and special outings, such as bowling, have become part of their routine.

Life has definitely changed for Beatrice and her grandsons. Even through their grief, Duet's caring support and their strong love for each other have allowed them to rise above unimaginable pain.

Duet also is here for you, or others you may know, who are raising grandchildren or other relatives such as nieces or nephews. ✨

Straight from the Heart Spotlights Duet

For a second year, Duet was honored by Spotlight as recipient of their *Straight from the Heart* campaign. Spotlight members demonstrated great compassion by collecting \$15,500+ in goods, services and funds to help people Duet serves. We are grateful for their generosity.

A Dual Honor

Maryglenn Boals of *MgBoals & Associates, LLC*, an insurance agency specializing in long-term care insurance, recently received an award from *Women in Financial Services*. She in turn honored us by selecting Duet as her charity of choice to receive the donation given as part of her award.

Governor Promotes Volunteer Service

Our own staff member, Nancy Splain, represented Duet at the recent *Golden Rule In Action Expo* organized by Arizona Interfaith Movement.

Governor Brewer praised our coordination that links caring volunteers with elders who need grocery shopping, rides to doctor appointments, and other simple yet important tasks. ✨

Computer Grant Helps Isolated Elders Get Connected

The Nina Mason Pulliam Charitable Trust awarded a second year of funding to help Duet pair more homebound “neighbors” with volunteers who teach them how to use computers. Our innovative computer assistance program also provides computers, internet access, and technical support.

Over 100 people gained a window to the world this past year and we are excited to further expand services. To volunteer or request service, simply call Duet — your partner in service. ✨

Partners In Health & Aging

Help for People Caring for Aging Relatives

BY DONNA HEPPERMAN, MSW, DIRECTOR OF CAREGIVER SERVICES

Our new tag line says it all: *"Partners In Health & Aging."*

Caregivers are partners, it's what they do! They partner with other caregivers, their frail loved ones, social service agencies, health care professionals, government benefit programs, and more, to make sure the needs of their loved ones are being met. Duet is here to serve as your dependable partner through your caregiving experience. I encourage you or anyone you know who has caregiving responsibilities, whether long distance or close at hand, to gain guidance and support by calling us at (602) 274-5022.

Although we have a new name, be

assured that our support groups, workshops, and referral services continue uninterrupted. Check the coming events calendar for future caregiver forums.

Two support groups previously held at Church of the Beatitudes, will now move to the Beatitudes Campus at 1610 W. Glendale Avenue.

The Parkinson Group will be held on the 2nd Wednesday of the month from 1:30 to 3:00 PM.

The Second Saturday Caregiver Group will now begin at 10:30 AM. Both groups will be held in the board room of the Beatitudes Campus Life Center.

Our new look and new name are exciting for us. We hope you will share in this excitement and help us reach out to new partners in this wonderful and challenging journey called caregiving. 🦋

Caregivers express themselves and find guidance and camaraderie during support group meetings

Thank You to Our Caring Volunteers

Duet sincerely thanks the following 1,185 caring volunteers who gave their time and expertise from January 2008 to the present. Their efforts improved life for thousands of people in need, and Duet would not exist without their service.

From helping homebound "neighbors" with services like grocery shopping or visiting; to serving on our board of directors or a committee; providing office support; serving as a faith community nurse; creating successful fundraisers; or another form of service — they are our heroes.

Oops!

Please call Ruth at (602) 274-5022 if we overlooked including your name. We'll publish any volunteers we missed in our next issue. *Thank you!*

The New Duet Trademark

Duet's new trademark is a butterfly created from two equal halves. This represents the many successful partnerships needed in order for Duet to provide crucial services. The space around the butterfly contains two faces looking toward each other and a more hopeful future.
