

## Snapchat as a Drug-Dealing Trend

Presented by: Child Crisis Arizona

---

Join us for this workshop **Snapchat as a Drug-Dealing Trend** presented by Child Crisis Arizona on some of the risks associated with Snapchat. Social media has become part of our children's lives and can include some risks and dangers. In this course you will learn about the risks of using Snapchat, how it may be used to access substances, and what you can do to protect your children from the risks. Registration is required and a participation/registration survey must be completed prior to the workshop.

To participate, you will need a computer, tablet, or smart phone with a camera and sound capabilities.
